

January 12th 2010

RALEIGH, North Carolina., Jan. 12<sup>th</sup> — AmericanEagle.com, an industry leader in Web site design, development, hosting, and marketing, is expanding its national footprint with today's announcement that Raleigh will host a new North Carolina regional office located at 6070 Six Forks Road, Suite-E. The new office will bring onboard the innovative Media and Web Marketing team from RTP Designs.

In order to share information about the new regional office, AmericanEagle.com is hosting an online introduction seminar the last week of January, 2010. Included in the discussion will be web design, hosting, and marketing services. To register for the event and learn more, please contact Jason Jasura at 919.341.0152 or [ncinfo@americaneagle.com](mailto:ncinfo@americaneagle.com).

AmericanEagle.com serves customers nationwide through 6 corporate offices. Since 1995, AmericanEagle has designed and developed more than 3,000+ Web sites, Intranets, and online applications for virtually all types of businesses, including small and medium-sized, Fortune 500, government organizations, and associations. The goal: to provide their clients with unrivaled website strategy, designs, development, and maintenance through their internet development solutions, services, and technology. Their services focus on providing businesses with expert marketing, consulting, and development of compelling promotional campaigns. These services ensure the success of an on-line web presence.

"We are excited to welcome the North Carolina office to the AmericanEagle.com family. The office is an ideal location to service customers and we are confident that the new office will be a successful addition to the local community." said Tony Svanascinni, CEO of AmericanEagle.com." With the combined expertise and skills of AmericanEagle.com and the RTP Designs Team, we will continue to

expand and satisfy a growing demand in and around North Carolina for high-quality Web design, development, hosting, and marketing."

"With a history of innovative product introductions and a commitment to service, AmericanEagle.com delivers long-term value to its customers" said Paul Gothier of the North Carolina regional office. "Through our new regional office, we are proud that we can work with clients to build compelling, value-based web presence and content management systems that will aid business's marketing/branding, business management, and success in today's economy."
